CRITICAL NEEDS

The supplies of the following items are very low and more are needed:

TAGLETS

QUILTS and BLANKETS in child and teen sizes

SMALLER TRAVEL-SIZE PILLOWCASES (finished size is 15" x 24") in
everyday juvenile patterns, with an emphasis on boy-related material

PROCEDURE PILLOWS (these are about ¼ to ½ the size of the smaller size
pillowcases and are used to support arms and legs, etc., while
procedures like IV insertions are done

If you are not a stitcher and want to contribute, we can always use plain white (new) pillowcases that we can embellish, and juvenile-themed new fabrics.

Contact me and we can arrange for delivery of these items.

...more as I get it.

Thanks!
