benefiting **Cook Children's Medical Center** in Fort Worth, Texas

TAGLETS

Taglets are given to our younger patients as something they can hold close to their faces or just to rub.

Supplies:

12" x 12" squares of one piece of fleece (or other soft fabric) and one piece of a silky fabric. (The size is approximate depending on the pattern on the fleece)

8 to 10 pieces of ribbon of various sizes, colors, and textures - each cut 3 1/2" long

Flannel to use for Bunny Ear and Tail - OPTIONAL (see picture)

Sewing Instructions:

PLEASE NOTE THAT THE RIBBON TABS CANNOT BE ANY LONGER THAN 1 1/2" FINISHED SIZE. With any tabs longer than 1.5 inches, the possibility exists that an infant can fit a little hand through and cut off his/her circulation.

1. (Optional) Cut 2 bunny ears out of flannel and sew right sides together leaving an opening at the bottom. Turn right side out. Attach the ear to one corner of the fleece and a tail on the other. (Optional)
2. Fold each piece of ribbon in half, wrong sides and ends together. Place ribbon pieces to the right side of the fleece on two sides. Stitch across all to keep in place.
3. Pin fleece piece and silky piece right sides together. Stitch leaving a 5" opening on one side for turning. Trim corners. Turn *Taglet* right side out and topstitch 1/4" from outer edges.

Thank you!!
